About Koi

NEW YORK

Koi Restaurant and Lounge in New York is located in the modern and luxurious Bryant Park Hotel. Koi has brought a laid back West Coast vibe to New York. Its chic and sexy surroundings, inventive cocktails, and beautiful views provide a sophisticated dining experience.

Koi New York is known for its upscale Japanese fare that offers unique and mouth-watering interpretations of traditional Japanese cuisine. Koi Los Angeles will be excited to find their favorites offered in New York as well. Koi New York's menu is designed to satisfy the discerning palates of our guests.
