

"Timeless New York dining in the Fashion District"

Parker & Quinn is the signature restaurant of the Refinery Hotel. New York's energy and authenticity are palpable at this modern American bistro that channels Gotham's grit and glamour. Just like New York City, Parker & Quinn is inherently American with a global appeal, meant to transcend decades with design touches spanning 1920's New York through present day. Parker & Quinn is a gathering place for all, where solo travelers and large groups are equally welcome.
